STUDENT/CAREGIVER INFORMATION

To help students make informed decisions about applying for Regional VET Programs for next year, many Regional VET Host Schools are offering 'Open Days' for interested students to visit the Host School, meet the teacher/trainer and current students in this course, and to see the course in operation.

Please see the table in the Regional VET brochure for dates and times of Open Days for each course. To attend one of these Open Days, you must RSVP to the Host School (see contact details in the table) at least one week prior to the Open Day date advertised, using the RSVP contact information provided in the table. In your RSVP, please provide your name, your Home School, your year level, your email address and a contact phone number.

Students, in conjunction with their parents/caregivers, will need to arrange their own transport to these sessions, and ensure that they have notified their Home School VET Leader by completing this form.
